

Name _____

Inside a Cell Video

Write 2 things you learned about each of the following organelles from the video in class.
Be sure to include the function, or job, of each organelle.

1. Cytoplasm

-
-

2. Cell membrane

-
-

3. Cytoskeleton

-
-

4. Endoplasmic reticulum

-
-

5. Ribosomes

-
-

6. Golgi apparatus and vesicle

-
-

7. Lysosome

-
-

8. Mitochondria

-
-

9. Centriole

-
-

10. Nucleus

-
-
